The leading PDF software built for professionals:
Tungsten Power PDF Business

Power PDF™ is the perfect document management tool for all business users—a single product that's easy to use for simple tasks, and robust enough to handle the most demanding requirements.

With a Microsoft® Office-style ribbon, Power PDF Business provides ease-of-use familiarity enhanced by customer input over twenty years. The Quick Access Toolbar lets you conveniently create shortcuts to features and capabilities.

Superior document conversion accuracy saves time and effort.

The latest OmniPage OCR delivers peak performance in converting PDFs and scanned files to Microsoft Office. Find quicker results in two ways: pinpoint text accuracy on poor images saves time proofreading, and superior format accuracy reduces manual effort in correcting headers, footers, numbering, tables and more.

SignDoc® delivers complete electronic signature functionality within Power PDF.

SignDoc integrates directly into Power PDF, delivering endto-end electronic signatures and verification with no separate web application required, improving efficiency and security (separate purchase is required for full integration).

Don't labor over PDF conversion to Microsoft Office.

Converting the text and then spellcheck quickly fixes text errors. Don't worry about formatting errors—Power PDF vastly boosts productivity by delivering the finest format fidelity in Microsoft Word®, Excel® and PowerPoint®.

Utilize latest PDF security and enterprise rights management.

Protect PDFs with password permission and certificate security controls up to 256-bit AES encryption. Support for Microsoft Information Protection Services and Microsoft Azure Rights Management Services.

Redact sensitive information and remove metadata.

Dependable and flexible redaction via pattern search and metadata scrubbing to protect confidential information.

Key benefits:

– Work intuitively in a familiar Microsoft Office-style user interface.

– Create PDF documents compliant with the latest PDF 2.0 and PDF/A-4 standards.

– Convert all PDF files to Microsoft Office with best-inindustry text and format recognition.

– Convert static to fill-able PDF forms in a single click.

– Scan paper documents and in one step, render as Searchable PDF

– Assemble documents from Microsoft Office and image files via page preview selection.

– Edit text and images with ease Employ the latest PDF security up to 256-bit AES High Security encryption.

– View, markup and sign PDFs on iOS and Android mobile devices.
